12. FORT SAM HOUSTON (FSH) ARMY FAMILY ACTION PLAN (AFAP) MARCH 7-8 2006: An Army Family Action Plan Community Forum is the first step in the process that conveys input from The Army Family to Army Leadership. The process lets soldiers, DA civilians, retirees, and their families identify what is working and what is not working in their community and the Army world-wide. It alerts commanders and Army leaders to areas of concern that need their attention and provides a mechanism for reporting back to the local community on the progress of the issues submitted. The Army is the only branch of the DOD that has such a program. This process has resulted in the enhancement of local programs and quality of life, change in regulations and enactment of new legislation in support of our military components. Be a part of this important process. Submit your issues to the 2006 FSH AFAP conference using the format provided in the AFAP portion of the Army Community Service (ACS) web page at www.fortsamhoustonmwr.com. Forms are also available at the Roadrunner Community Center. We are also looking for delegates representative of our community. DA civilian employees, spouses of enlisted, NCOs and officer rank soldiers, and retirees are needed as delegates to the forum. The commitment of the delegates is for the entire two-day conference. Contact the AFAP program manager, Sue York at 221-9821 or Felix Aparicio at 221-0275 for a delegate application. Soldier delegates will be identified by their units. (4/4)
